REGISTRANT DEMOGRAPHICS

TechNet Asia-Pacific, co-sponsored by AFCEA International and AFCEA Hawaii, is the largest event in the Pacific Rim focusing on regional defense issues. The 2015 event attracted nearly **1,500 attendees and 170 exhibitors.** The agenda was packed with key military and defense leaders that gave their perspectives and predictions of future needs and condition of the Pacific arena.

This verified attendee report contains information regarding registrant demographics, speakers, sponsors and attendees. We hope it will assist you in making decisions and plans pertaining to your interest in TechNet Asia-Pacific going forward.

We greatly value your participation and do all we can to assist in meeting your goals. There is no question that the event and the industry as a whole is successful when you — and others like you — succeed.
