

BOOTH APPROVAL REQUEST FORM

To ensure that equal visibility is given to all exhibitors, all exhibiting companies occupying **400 or more square feet** at the 2007 Air & Space Technology Exposition, **MUST** complete this form. Along with this from you must also submit a detailed drawing of your booth layout. The drawing must show the exact height and width of towers, signage, truss, etc.

Company Name: _____ Booth #: _____ Booth Size: _____ x _____

Contact: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Fax: _____

Email: _____

RETURN DEADLINE: September 7, 2007
FAX TO: 703.679.3938
ATTN: Kim Curtis

Exposition Management will submit all approvals/disapprovals in writing to the Exhibitor. Should the diagram differ significantly from the actual display on show site, **Exposition Management has the right to request that the display be altered or removed at the exhibitor's expense.** Exposition Management can request the same from an exhibitor, if the "Booth Approval Request Form" was not submitted by the above deadline. Booth approvals are valid for the 2007 Air & Space Technology Exposition ONLY!

OFFICE USE ONLY:

- Booth Approved
- Booth Disapproved
