

## WHAT COMES WITH MY BOOTH?

- PIPE & DRAPE FOR EACH 10 X 10 INLINE BOOTH  
8ft. high back drape (Silver and Blue)  
3ft. high side drapes (Blue)
- CARPET  
The majority of the exhibit hall is carpeted with the hotel's permanent ballroom carpet **with the exception of booths numbered 2212, 2214, 2216, and 2218**. Show Management requires that all booths be carpeted, which means companies in the booths above must either bring their own or rent carpet from Freeman. All other exhibitors are permitted to exhibit using just the ballroom carpet, but may choose to have carpet installed on top of the ballroom carpeting as well.
- COMPANY ID SIGN  
One 7" x 44" listing company name and booth number
- OFFICIAL SHOW PROGRAM & WEBSITE LISTING  
Your company's 50-word paragraph will be listed in the official printed show program if your information is received by the Friday, August 17, 2006, deadline. This information can be posted on the official Air & Space Technology Exposition website at anytime.
- SECURITY  
24-Hour Perimeter Security is provided during move-in, show-days/nights, and move-out. In-booth security is available through CES Security at the exhibitor's expense. Please contact CES Security directly with any questions at 443.471.7000.
- AISLE CLEANING  
Aisles will be vacuumed daily. Trash placed in the aisle after the show closes each day will be removed. Services for individual booth cleaning should be ordered from Freeman Decorating Company.
