We hope you will join us at the [ASHP 2018 Summer Meetings and Exhibition](#), June 2-6, at the Colorado Convention Center in Denver, CO. Attendees will choose one of four boutique conferences happening concurrently allowing them to focus and participate in education and networking events with like-minded peers across the healthcare spectrum. It is the best of both worlds--specific and focused education.

The Summer Meetings and Exhibition is where ASHP's governing body, the House of Delegates, meets to explore emerging health policy issues in health system pharmacy. Pharmacy leaders representing each state gather in the House of Delegates at our Summer Meetings and Exhibition to propose new ASHP policies and discuss current issues in health-system pharmacy practice. We will continue to build this event and promote the benefits to attendees.

Thank you again for exhibiting and your continued support of ASHP.

Sincerely,

David Gershman  
 Director, Industry Relations
