### DEFINITIONS AND SHEPARD RESPONSIBILITIES

The name "Shepard" shall be construed within the meaning of this contract as Shepard Exposition Services, Inc. and its employees, officers, agents, and assigns including any subcontractors Shepard may appoint. The term "exhibitor" refers to any party who contracts for services with Shepard. Shepard shall be responsible only for those services which it directly provides, and hereby agrees to execute its contracted duties in good faith. Shepard assumes no responsibility for any person, parties, or other contracting firms not under Shepard's direct supervision and control. Shepard shall not be responsible for loss, delay, or damage due to strikes, lockouts, work stoppages, natural elements, vandalism, acts of God, civil disturbances, power failures, acts of terrorism or war, or any other causes beyond Shepard's reasonable control; or for ordinary wear and tear in the handling of materials. Due to the security and liability requirements, Shepard personnel will unload all vendor materials from the loading docks to the booths.

### INDEMNIFICATION

The exhibitor agrees to indemnify, forever hold harmless, and defend Shepard and its employees, officers and agents from and against any and all claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses on account of personal injury or death, damage to or loss of property or profits arising out of, or contributed to by any of the following: (1) exhibitor's negligent supervision of any labor secured through Shepard or the negligent supervision of such labor by any of the exhibitor's employees, agents, representative, invitees, and/or exhibitor appointed contractor (EAC); (2) exhibitor's negligence, willful misconduct, or deliberate act, or such actions of exhibitor's employees, agents, invitees, representatives, or EACs at the show to which this contract relates, including but not limited to the misuse, improper use, unauthorized alteration, or negligent handling of Shepard equipment; or (3) exhibitor's violation of Federal, State, or Local ordinance; or violation of show regulations and/or rules as published by the Facility and/or Show Management.

### CLAIM(S) FOR LOSS AND PAYMENT FOR SERVICES

Exhibitor agrees that any and all claims for loss or damage shall be submitted to Shepard prior to the conclusion of the show when the alleged loss or damage occurred prior to that time, and in all cases within 30 days of the conclusion of the show. For claim reporting purposes, the "conclusion" of the show shall be construed as the end of the day on which exhibitor must vacate the show site. All claims reported after the 30-day period will be rejected. In no event shall a suit or action be brought against Shepard more than one year after the date the loss or damage occurred. Payment for services may not be withheld. In the event of any dispute between Shepard and the exhibitor relative to any loss or damage claim, the exhibitor shall not be entitled to and shall not withhold payment for Shepard services as an offset against the amount of the alleged loss or damage. Any claim against Shepard shall be considered a separate transaction and shall be resolved on its own merit.

### SHEPARD'S LIMITS OF LIABILITY

If found liable for any loss or damage, Shepard's sole and maximum liability for loss or damage to exhibitor's materials will be limited to the repair or replacement with like kind and quantity, subject to a dollar amount not to exceed \$5.00 (five dollars) per pound based on the weight of the articles for which Shepard specifically acknowledges receipt in writing. Shepard shall in no event be liable for collateral, exemplary, indirect costs or damages, or loss of sales resulting from, or related to, a claim for loss of or damage to material.

### INBOUND AND OUTBOUND SHIPMENTS

Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the exhibitor or his representative. During such time, the materials will be left unattended. Shepard is not, and cannot be, responsible for loss, damage, theft, or disappearances of exhibitor's materials after same have been delivered to the exhibitor's booth. Similarly, there may be a lapse of time between the completion of packing and the actual pick up of exhibitor's materials from the booth for loading onto a carrier. During such time, the materials will be left unattended. Shepard shall not be responsible for loss, damage, theft, or disappearance of exhibitor's materials before same have been picked up for loading after the show. All materials will be checked at the booth at the time of loading using document(s) submitted by the exhibitor and notations of exceptions to conditions of materials or piece counts will be made on said document. Shepard assumes no responsibility for loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's appointed carrier or agent for transportation after the show. Shepard loads materials onto the carrier's truck under the supervision of the carrier driver who checks and signs for the materials. Shepard assumes no liability for any materials after the carrier assumes custody of materials. If exhibitor's designated carrier fails to show by the move out deadline after a show, Shepard shall have the authority to route exhibitor's shipment via an alternate carrier, or return shipment to a local warehouse for disposition at exhibitor's expense.

### PACKAGING, CRATES, AND EMPTY CONTAINERS

Shepard shall not be responsible for surface damage to loose or uncrated materials, pad-wrapped, or shrink-wrapped materials. Shepard shall not be responsible for concealed damage, damage to carpets in bags or poly, or damage to materials improperly packed. Shepard shall not be responsible for crates and packaging unsuitable for handling, partially assembled, or having prior damage. Affixing "Empty" storage labels to containers is the sole responsibility of the exhibitor or his representative. All previous labels should be removed. Shepard assumes no responsibility for removal or misdelivery of containers with old labels or incorrect information on labels or for loss or damage to materials stored in containers labeled "empty."

# EXHIBITOR APPOINTED CONTRACTOR

## ASCP Annual Meeting and Exposition

**November 3 - 4, 2017**

**Gaylord Palms Resort & Convention Center - Kissimmee, Florida**

Event Code: F158341117

**Deadline Date: October 6, 2017**

**Please read the following information entirely prior to signing form and returning to Shepard.**

Complete this form for each non-official contractor used. Only the official show contractor or the facility may provide building services, utilities, rigging, material handling, cleaning, and furniture rental.

As the official show contractor, Shepard will provide all standard trade show services, including installation/dismantling labor, but exhibitors may appoint a non-official contractor to provide installation/dismantling labor provided all the following conditions are met:

~ EXHIBITOR must inform Shepard Exposition Services that they have contracted with a non-official contractor by completing this form and returning it by **deadline date**. If form is not submitted by deadline date, the Exhibitor Appointed Contractor will not be allowed to perform work in the hall except to supervise the official contractor provided labor.

~ The CONTRACTOR hired by the exhibitor must, by the deadline date, provide Shepard with a current Certificate of Insurance with minimum limits of \$500,000 property damage per occurrence, \$1,000,000 personal injury per occurrence, workers compensation aggregate coverage of \$1,000,000 per occurrence, and naming Shepard Exposition Services as the certificate holder for the time period of the event, including move-in and move-out days. Listing Shepard Exposition Services as an additionally insured only will not be accepted, and may prevent EAC from working on the premises. If EAC does not have minimum coverage and proper documentation, they will be subject to employing Shepard Exposition Services for labor services.

~ The CONTRACTOR must abide by the rules and regulations of the show and all pertinent union regulations.

~ CONTRACTOR employees must wear approved identification badges at all times while in the work area. Badge will be issued at show site to authorized contractor representatives when all requirements have been met.

~ If the non-official contractor is empowered to incur expense on behalf of the exhibitor, a Third Party Payment Authorization form must be completed and returned to Shepard. The exhibitor agrees that he is ultimately responsible for the cost of all services provided in connection to the exhibitor's booth.

~ The non-official contractor agrees to have evidence, in the booth, that it has a valid authorization from the Exhibitor for services.

~ The non-official contractor must confine its operations to the exhibit area of its clients. No service desks, storage areas or other work facilities will be located anywhere in the facility. Show aisles and public areas are not part of the Exhibitor's booth space.

~ The non-official contractor may not solicit business on the exhibit floor.

~ The non-official contractor must have all business licenses, work permits and insurance required by State and City governments and Facility Management before beginning work, and shall provide Show Management with evidence of compliance.

~ If required, the non-official contractor must be able to provide evidence that it has current and applicable labor contracts and must comply with all labor agreements and jurisdictions. The non-official contractor must not jeopardize the production of the event by any act or practice that would lead to work stoppages, strikes or labor disputes.

~ Non-official contractor employees must wear approved identification badges at all times while in the work area. Badges will be issued at show site, to authorized representatives, when all requirements have been met.

## SHOW MANAGEMENT BOOTH REGULATIONS

Close offs are a piece of drape in the show color used to hide the space behind a pop-up booth. Close off rental is offered to exhibitors using pop-up booths that have a fully or partially exposed back. Show management requires the area behind these booths, including the rear of the structure itself, be hidden from view in order to preserve the professional appearance of the event. Exhibitors that rent close offs are responsible for all associated charges.

#### **UNION LABOR**

Florida is a “right to work” state. Exhibitor personnel may set up their own exhibits if so desired using their own tools and company personnel. Union Labor is available to assist in the installation and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged for at established rates, using the enclosed order forms.

#### **EXHIBIT LABOR JURISDICTION**

Union exhibit labor claims jurisdiction for the installation and dismantling of prefabricated exhibits and displays when this work is done by persons other than company personnel. They may be employed by completion of labor forms enclosed in this manual.

Union Labor is not required to put your products on display, to open cartons containing your products, nor to perform testing, maintenance or repairs on your products.

If, however, you hire any labor to assist you, it must be through the Official Contractor or a contractor which meets all of the regulations as an Exhibitor Appointed Contractor.

#### **MATERIAL/FREIGHT HANDLING JURISDICTION**

Shepard Exposition Services has the responsibility of receiving and handling all exhibit materials and empty crates. It is Shepard's responsibility to manage docks and schedule vehicles for the smooth and efficient move-in and move-out of the exhibition. Shepard will not be responsible, however, for any materials they do not handle. Shepard will have complete control of the loading docks at all times.

Exhibitors may hand-carry their own materials into the exhibit facility; however, the use or rental of dollies, flat trucks, pallet jacks, and other mechanical equipment is not permitted.

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner's expense.

The Fire Marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements have been made with Shepard Exposition Services to store empty crates. Please refer to the Material Handling Information sheet in this service manual for the handling of empties, disposal of skids, etc.

#### **GRATUITIES /BREAKS**

Tipping is expressly prohibited. This includes such practices as giving money, merchandise, or other special consideration for services rendered. Do not give coffee breaks other than mid-morning and mid-afternoon, when the union has a 15 minute paid break. Meal breaks are one hour. Any attempt to solicit a gratuity by an employee for any service should be reported immediately to Shepard Exposition Services.

#### **IN GENERAL**

Exhibitors do not have to respond to grievances or complaints from union and trade personnel with respect to work jurisdictions. Please refer all such disputes and/or questions to Shepard management personnel immediately.

#### **SAFETY**

Safety of everyone working in the hall is of our utmost concern at all times. Standing on chairs, tables and other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Shepard Exposition Services cannot be held responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor Order Form included in this manual and the necessary ladders and tools will be provided.

# SHIPPING VERSUS MATERIAL HANDLING

## WHAT IS SHIPPING?

Shipping is the process of a carrier picking up your items from your office or place of origin and transporting it to the dock of either the advance warehouse or facility dock of your event. It is separate from Material Handling. Exhibitors may use any carrier they want, including Shepard Logistics.

## WHAT IS MATERIAL HANDLING?

Material Handling is the process of receiving your shipment from your carrier and managing it through the event cycle. It is a standard tradeshow process and it is a chargeable fee typically based on the weight of your shipment. Don't forget to add Material Handling to your budget!

### ONE EASY WAY TO KEEP YOUR CHARGES LOWER?

**Consolidate, Consolidate,  
Consolidate!**

*Skid items as much as possible so that they are sure to arrive together. Each shipment that arrives at a separate time is assessed the minimum charge. Whether you ship to the advance warehouse or show site it is in your best interest to consolidate as much as possible.*

### Material Handling Process:

- Unloading the trade show freight from your carrier once it arrives at the receiving dock.
- Transporting your shipment to your booth space.
- Removing empty shipping containers (boxes, crates, and pallets) from your booth.
- Temporarily storing your empty shipping containers during the show.
- Returning empty shipping containers to your booth once the event is over.
- Transferring the freight back to the loading dock.
- Loading the items into your carrier's delivery vehicle for return shipping.

# MATERIAL HANDLING INFORMATION

## ASCP Annual Meeting and Exposition

### MATERIAL HANDLING INFORMATION & ADDITIONAL CHARGES

**SPECIAL HANDLING DEFINITIONS****Rate as shown on Material Handling Authorization Form**

Shipments received that are packed in a manner as to require additional handling/labor are deemed special handling. Examples of shipments falling into this category would be constricted space unloading, ground unloading, stacked shipments, designated piece unloading, shipment integrity, mixed shipments, no bill of lading or documentation, carpet/pad only shipments.

•**Constricted Space** - Freight packed in trailer to full capacity. Shipments are not easily accessible because trailer is loaded by cubic space, or top to bottom and side to side.

•**Stacked Shipments** - Shipments with multiple pieces stacked on top of one another throughout the majority of the truck or trailer requiring unstacking during the unloading process.

•**Mixed Shipments** - Mixed shipments are shipments that contain a mixture of uncrated and crated materials, and the uncrated portion is minimal deeming the shipment special handling but not uncrated. But in cases where greater than 50% of the load by volume is uncrated the load will be categorized as uncrated.

•**Shipment Integrity** - Shipments loaded on a carrier in a manner requiring separating or sorting to reestablish the integrity of each shipment.

•**Carpet/Pad Only** - Carpet and/or pad only shipments are time and labor intensive, and require additional manpower and tools (e.g. carpet poles, flatbed carts or scooters, dollies).

•**No Documentation** - Shipments received from small package carriers (including, among others, Fed Ex, UPS, & DHL) that are delivered without documentation or bills of lading that require additional sorting, processing, and tools for delivery.

•**Designated Piece Unloading** - Shipments loaded in such a manner that require the unloading/loading crew to be directed by driver remove items in a particular order, or unloading and reloading items to reach certain pieces behind others remaining on the trailer.

**DISPOSAL FEE****Fee: .75 Per Lb****Labor Rate:****87.50****Per Hour ( OT/DT rates may apply)**

A disposal fee & minimum 1 hr labor will be charged for all booth materials (booth displays, flooring, etc.) that are left unclaimed after show move-out.

**OVERTIME/DOUBLE TIME****Surcharge:****Overtime: 30%****Double Time: 50%**

Shipments that are moved and/or handled on overtime and/or double time hours will incur a surcharge based on the handling times noted on the receiving/shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the Shepard Service Desk AND the driver has checked in.

**WAREHOUSE OVERTIME/DOUBLE TIME****Surcharge:****Overtime: 30%****Double Time: 50%**

Advanced shipments may be received during straight time hours at the warehouse location, however an overtime/double time surcharge may be applied to an advanced warehouse shipment due to required delivery schedule based on show move-in and move out hours beyond our control. This would also be true if freight was received after hours at the warehouse trapping facility.

**EARLY/LATE SHIPMENTS TO WAREHOUSE****Surcharge: 25%****Minimum: \$50.00****35003**

A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site after show opening. Any shipment arriving to showsite after show open will be charged a surcharge.

**UNCRTATED SHIPMENTS****Rate as shown on Material Handling Authorization Form**

An additional charge of 50% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move-out of the show, and is based on the weight of the shipment handled.

**OFF-TARGET DELIVERIES****Surcharge: 15%****Minimum: \$50.00****35004**

For targeted shows (exhibitors who received/requested a Targeted Date/Time), a surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.

**MARSHALING YARD****Surcharge: \$30 per Shipment****35250**

Where Shepard Exposition Services as the show contractor must lease space for marshaling yard operations because no space is provided by the facility, Shepard may charge a one time fee per shipment processed inbound and/or outbound through the marshaling yard.

**REWEIGH OF SHIPMENTS****Surcharge: \$25.00 per forklift load****35282**

An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.

**EMPTY CRATE STORAGE****Surcharge: \$25.00 per piece, Minimum \$50.00****35105**

A charge per crate, carton or skid applies when Shepard handles the storage and return of empties from a shipment not received by Shepard and therefore not subject to material handling charges.

**SMALL PACKAGE CONSOLIDATION**

Cartons weighing 30lbs or less will qualify for the small package rate. Should one delivery contain 15 or more small packages, it can be consolidated and charged as standard material handling for a lower rate. Packages exceeding 30lbs will be billed standard Material Handling fees at the prevailing show rates.

**ENVELOPE DELIVERIES****Surcharge: \$10.50 per envelope****35007**

During show hours at the show facility, a charge will apply to receiving and delivering envelope packages to your booth.

If you have any questions about material handling, please contact Shepard Customer Service department.

# MATERIAL HANDLING 101

ASCP Annual Meeting and Exposition

## MATERIAL HANDLING Q&A

### What is material handling (also referred to as drayage)?

Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

### What is the definition of "freight"?

Any exhibit materials that are shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

### What is a "certified weight ticket"?

A printed weight ticket from a scale certified or inspected by a government authority such as the Dept. of Agriculture, indicating the date weighed, the weight of the shipment and the vehicle ID of the unit being weighed.

## IMPORTANT FACTS ABOUT ADVANCE SHIPMENTS

### What are advance shipments?

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual).

Shepard will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule).

The warehouse will receive shipments Monday-Friday, 8:00am - 4:00pm, excluding holidays.

Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.)

Crates, cartons, skids, fibercases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. **Certified weight tickets required.**

All shipments must be prepaid, no collect on delivery shipments will be accepted.

## MATERIAL HANDLING CHARGES

### What determines how much I'm charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

### How do I calculate material handling charges?

Material handling services, whether used completely, or in part, are offered as a package. When recording weight, round up to the next 100 lbs.

EXAMPLE: 285 lbs. = 300 lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

### Will there be any additional charges?

Additional charges may apply. Please review the Material Handling Authorization and Material Handling Additional Services forms included in the manual for all applicable fees.

## SMALL PACKAGES

### What are small package carrier shipments?

Shipments that arrive via small package carrier such as FedEx Express Service, UPS small package service, DHL small package service, and other carriers in this category and do not have a **certified weight ticket** included with shipment. This applies to packages weighing under 30 lbs.

### How do I calculate my small package carrier shipment?

Charges for small package carrier shipments are based on per carton, per delivery. Example: I'm shipping 3 packages via FedEx, how much will I be charged?

3 x per carton rate = \$ amount charged (plus any additional fees that may apply)

Please be advised that your whole shipment may not arrive to its destination at one time. Therefore you may be charged per each delivery, and minimum charges may apply.

## CRATED~UNCRATED~SPECIAL HANDLING

### What are CRATED materials?

Materials delivered that are skidded or in a container that can easily be unloaded/reloaded with no special handling required.

### What are UNCRATED materials?

Materials delivered that are loose, pad-wrapped or unskidded without proper lifting bars and/or hooks.

### What is SPECIAL HANDLING?

Shipments delivered that require extra labor for stacking or unstacking containers on a truck, tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials. Cannot be completed solely with one forklift and operator.

### What is the difference between material handling and shipping?

**Shipping** is the process of carrying your shipment from your location, pick-up area to its destination and also the process of returning your shipment back to your location after the close of the show. **Material handling** begins at the time your shipment arrives to the docks (please refer to "What is material handling?" for the full definition.)

### Do I need to order a fork lift to unload or reload my freight?

No, please do not order a forklift for unloading/reloading of your materials.

### What does CWT mean?

CWT is an acronym for Century Weight, therefore it means per 100 lbs.

## IMPORTANT FACTS ABOUT DIRECT SHIPMENTS

### What are direct shipments?

All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during published exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. **Certified weight tickets required.**

Crates weighing over 5,000 lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times. All shipments must be prepaid, no collect on delivery shipments will be accepted.

## LIABILITY INSURANCE

### What is and why would I need liability insurance?

Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required.

Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show.

If applicable, included in your manual is information and an application for liability insurance and booth coverage can also be purchased to protect your valuable exhibit materials.

## OUTBOUND SHIPMENTS

You must complete a Shepard Material Handling Agreement (MHA) for all outbound shipments. A MHA will be distributed at show site if all services have been paid in full, or you can request one at the customer service desk.

Upon completion of packing and labeling of your materials, complete the bill of lading with all required information, and return to customer service. If you have questions on how to complete your bill of lading, please ask a Shepard customer service representative located at the customer service desk.

If you are NOT using the designated shipping carrier, you must call your carrier with pick-up information.
