UNION JURISDICTIONS IN THE SAN FRANCISCO BAY AREA

You may appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, please read the following:

■ DISPLAY LABOR ■

By definition, the installation or dismantling of exhibits which requires the use of hand tools, or takes one person more than 30 minutes, or exceeds ten feet in any direction, falls within the jurisdiction of the Local 510 of the Sign Display and Crafts Union. You can handle and set out the products you manufacture; however, all background materials - display boards, backdrops, stands - anything the products are displayed upon, attached to, or made part of, and laying of floor tile and carpets must be installed by union labor. Labor can be ordered in advance by returning the Display Labor order form, or on show site at Freeman Service Center.

■ MATERIAL HANDLING ■

The Teamsters Union Local 2785 (and Local 287 for shows in San Jose) has jurisdiction over all unloading and reloading of materials. The Union also has jurisdiction over the operation of all material handling equipment - this includes all dollies and hand trucks.

You may hand carry only what you can manage by yourself (one person) in one trip, using no equipment. Since hand carried materials may not come through the freight entrance, show management will designate a specific entrance for hand carried items. Current union jurisdiction precludes hotel personnel from delivering material to exhibit booths.

■ TIPPING ■

Freeman requests that exhibitors do not tip our employees. They are paid an excellent wage scale denoting a professional status, and we believe that tipping is not necessary. This applies to all Freeman employees. Any request for such should be brought to the attention of a Freeman Representative at Freeman Service Center.

■ SAFETY ■

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Freeman cannot be responsible for injuries or falls caused by improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Display Labor order form and the necessary ladders and tools will be provided.

■ IN GENERAL ■

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions arising with regard to the Union's jurisdiction or practices must be directed to a FREEMAN management representative.

Freeman installation & dismantling experts work closely with you to coordinate every phase of your trade show participation, including:

- Pre-planning and budget consultation
- Skilled labor coupled with support services coordination - electrical, furnishings, floral, transportation, and audio visual
- On-site supervisors with dedicated floor managers
- Full, in-house carpentry for emergency repairs and refurbishing
- Post-show evaluations focused on incremental improvement to meet rapidly changing market conditions based upon customer feedback
- Post-show evaluations that help identify small changes that make big impacts

ON-SITE SUPERVISION

You may wish to supervise labor on your own, but if you need assistance, Freeman installation & dismantling experts will get the job done as an extension of your team.

If You Use Freeman Staff

Exhibits can be set up prior to your arrival under the direction of Freeman I&D supervisors.
