SHOW SITE WORK RULES IN ARIZONA

To assist you in planning for your participation in the show, we are certain you will appreciate knowing in advance that FREEMAN labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following.

■ EXHIBIT INSTALLATION AND DISMANTLING

Stagehand Local #336 has jurisdiction via a labor agreement with FREEMAN for the erection, touch-up, dismantling, and repair of all exhibits when this work is done by persons other than your full-time company personnel. This work is to include wall coverings, floor coverings, pipe and drape, painting, hanging of signs and decorative materials from the ceiling, placement of all signs and the erection of platforms used for exhibit purposes.

Jurisdiction does not cover the placement of your products on display, the opening of cartons containing your products, or the performance, testing, maintenance or repairs of your products.

If full-time company personnel are utilized to set an exhibit, they must carry company identification such as a medical identification card or a payroll stub.

The utilization of workers hired from a non-union agency or company is prohibited.

To secure labor, please complete the labor forms enclosed.

MATERIAL HANDLING

Stagehand Local #336 has jurisdiction via a labor agreement with FREEMAN for the loading and unloading of all trucks, trailers, and common and contract carriers as well as the handling of empty containers and the operation of material handling equipment. It also has the jurisdiction for the unloading, uncrating, unskidding, leveling, painting and assembly of machinery and equipment as well as the reverse process.

FREEMAN has the responsibility to manage docks and schedule vehicles for the smooth and efficient move-in/move-out of the trade show. FREEMAN will not be responsible for any material it does not handle.

Exhibitors may "hand carry" material provided they do not use material handling equipment to assist them. When exhibitors choose to "hand carry" material, they may not be permitted access to the loading dock/freight door areas.

GRATUITIES I

FREEMAN requests that exhibitors do not tip its employees by giving money, merchandise, or other special consideration for services rendered. Exhibitors should not give coffee breaks other than mid-morning and mid-afternoon when FREEMAN employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service, should be reported immediately to a supervisor of FREEMAN. FREEMAN employee(s) are paid an excellent wage, and tipping is not an accepted company policy.

■ IN GENERAL ■

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions arising with regard to FREEMAN's jurisdiction or practices must be directed to a FREEMAN management representative.
