j) Promotional materials may be sent to the Participant’s in-house mailing lists or a mailing list provided by ACC. ACC offers a one-time complimentary use of the ACC.14 advance professional registrant mailing list (available in late February 2014) to Learning Lab participants, to be used for promotion of the Participant’s Learning Lab. Mailing list rental guidelines and order forms will be available at www.infocusmarketing.com. Please note ACC must approve Participant’s mailer prior to releasing the mailing list and that the turn-around time for requested lists is two to three business days from the time of mailer approval.

k) Participants hosting Learning Labs are permitted to supplement ACC signage with floor-standing signage immediately at the entrance of their contracted Learning Lab and within their contracted Lab only, or mounted signage on the Lab wall(s). Signs must be professionally printed, no larger than 3 ½ x 8', and may be ordered through Freeman or a contractor of the participant’s choosing. Please note: Proposed copy for signage must be approved by the ACC Management prior to printing (see “Promotional Materials,” above, for more information). A maximum of four signs may be displayed at each Participant’s Learning Lab. Signs may not be placed in other venues, other areas of the convention center, buses, taxicabs, etc. Participants violating these rules will have their items removed/confiscated and will lose priority points for ACC.14.
