Promotional materials, even if approved, are not permitted in the aisles; in the registration and poster session areas; in ACC Management publication bins; on counters, restaurant and/or lounge tables; in or near education rooms; in San Diego Convention Center lobbies or public areas; anywhere else in or on San Diego Convention Center property; in hotel lobbies, restaurants, meeting rooms or public areas, or in front of hotels. Noncompliance of this regulation will result in the prompt removal of the offending person and property from that area and will result in loss of ACC.15 priority points by the Participant.
- j) Promotional materials may be sent to the Participant's in-house mailing lists or a mailing list provided by ACC. ACC offers a one-time discounted (50% off) use of the ACC.15 advance professional registrant mailing list (available in mid- February 2015) to Participants, to be used for promotion of the Participant's Prime Time Event. Mailing list rental guidelines and order forms will be available at www.infocusmarketing.com. Please note ACC must approve Participant's mailer prior to releasing the mailing list and that the turn-around time for requested lists is two to three business days from the time of mailer approval.
- k) Participants hosting Innovation Stage slots are permitted to supplement ACC signage with floor-standing signage immediately at the entrance(s) to the Innovation Stage and within their contracted exhibit space(s) only. The signs at the entrance(s) to the Innovation Stage must be professionally printed, no larger than 28" x 44" and may be ordered through Freeman or a contractor of the Participant's choosing. Please note: Proposed copy for signage must be approved by the ACC Management **prior to printing** (see "Promotional Materials," above, for more information). A maximum of two signs may be displayed at the Innovation Stage. Signage may only be placed outside the Innovation Stage beginning one-half hour prior to the Participant's slot, and must be removed immediately following the conclusion of the presentation. Any signs left after the presentation's conclusion will be considered trash and disposed of accordingly. Signs may not be placed in other venues, other areas of the convention center, buses, taxicabs, etc. Participants violating these rules will have their items removed/confiscated and will lose priority points for ACC.15.
- l) Participants are encouraged to display promotional signage and/or distribute approved materials promoting their Innovation Stage presentations from within their exhibit spaces.
