We Are COMPTTEL!

COMPTTEL represents the competitive communications networks that comprise the broadband, cloud, business & enterprise, fiber, international, internet, tower & backhaul and wireless universe. It is the voice that works to ensure that a competitive environment is the best way to provide superior service and technology at a reasonable price to consumers.

COMPTTEL forms strategic partnerships and alliances with a host of like-minded associations, think tanks, advocacy groups and sympathetic government leaders to affect change. COMPTTEL works closely with the FCC and Hill leadership to be the leading advocate within the process to guarantee its members' concerns are addressed and acted upon.

COMPTTEL PLUS Business Expos help fund the advocacy efforts of the association and meet a strategic business and networking need by providing a communications industry marketplace in which deals can be easily facilitated either in the exhibit hall or in one of our private meeting rooms.

Through recent growth of the association the COMPTTEL membership is now more diverse and reflects the complexities that new technologies have brought to the industry. As a result, the COMPTTEL PLUS Business Expo reflects a broader range of industries and products and delivers a more dynamic and diverse environment to facilitate the multifaceted needs of our attendees.

"This trade association (COMPTTEL) is formed by a lot of disrupters. So in some ways we are trying to build new networks; provide new choices to consumers."

Milo Medin

Vice President, Access Services

Google, Inc.

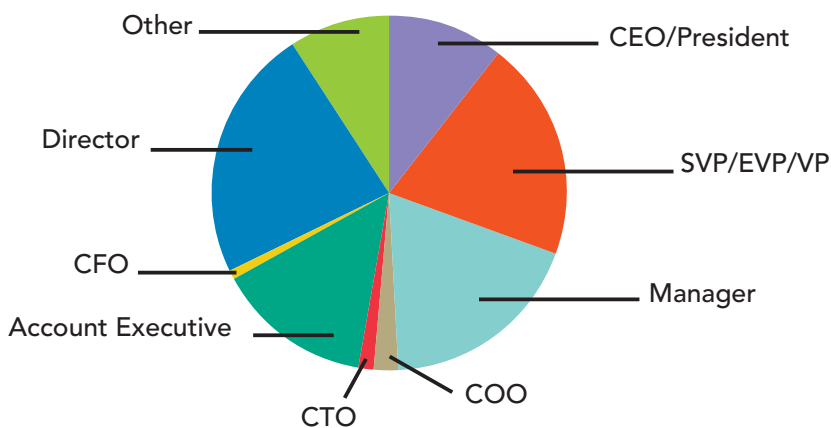

To reserve an exhibit space contact Matt Darnell from J. Spargo & Associates at 571-267-2067 or matt.darnell@jspargo.com.

What to Expect at COMPTTEL PLUS Business Expo 2015

We have been hard at work listening to what our attendees need out of our Expo experience and it comes down to some basic ideas that include a business focused agenda and:

- A dynamic exhibit hall with the COMPTTEL PLUS Hub at the center where interviews are taped and you can learn more about COMPTTEL and its mission.
- More exhibitors, new COMPTTEL members and enhanced opportunities to network.
- A more comfortable and enjoyable Expo; lunches provided on the show floor, evening networking parties for exhibitors and entertainment for all attendees.
- Meeting rooms available for rental and shared with some of the biggest names in the industry.
- Use of our Business PLANner software for registered attendees to set meetings and use of our Deal Center in a quiet corner of the exhibit hall.
- Educational sessions that focus on the tools you need to improve your understanding of the latest industry trends and best practices; learn important skills that enhance your career objectives.

Who Attended the Last COMPTTEL Business Expo?

COMPTTEL PLUS Expos attract an excellent percentage of C-Level decision makers. The chart to the left demonstrates the demographic makeup of attendees at our last Expo in Dallas. We have one of the highest ratios of C-Level attendees of any trade show in the for-profit and non-profit landscape.

"COMPTTEL is about consumer choice. Whether you are a residential customer or a small business customer COMPTTEL represents a proposition that you should have as many choices as possible."

Chris Murray
S.V.P. of Public Policy
EarthLink

Exhibiting at a COMPTTEL PLUS Business Expos

Exhibiting Costs

COMPTTEL Members: \$35*/sq. ft.

First-Time Exhibitor: \$45*/sq.ft.

Non-Members: \$60*/sq.ft.

*Booths must be purchased in 100 square foot increments. The minimum booth purchase is 100 square feet.

Considering Exhibiting?

Let us help you. Contact Matt Darnell from J. Spargo & Associates at 571-267-2067 or matt.darnell@jspargo.com.

Exhibitor Package Includes

- Three complimentary Full Conference registrations for each 100 square feet of purchased exhibit space.
- 5 Complimentary guest passes per 100 square feet to invite current or prospective customers to the Expo hall.
- Pre- and post-show attendee lists, which include name, title, company, city, state, zip and country.
- Use of pre- and post-show mailing list for self promotion through a third-party mail house.
- 8 foot tall draped back wall with 3 foot side rails and draping for each booth. Not included is floor covering which each exhibitor is responsible for providing. In the event you do not have a carpet it can be purchased from the show decorator team onsite.
- Inclusion in COMPTTEL PLUS Show Guide with your company's logo, description and contact information.
- Online listing of company profile on the COMPTTEL PLUS website.

Expo Exhibition Days

The show floor will be open Sunday evening (April 12), midday Monday and Tuesday (April 13 & 14).

Business PLANner

The COMPTTEL PLUS Business PLANner is an application that allows registered parties to search all registrants and request meetings. The COMPTTEL PLUS Deal Center is available for your use. The PLANner goes live Monday, March 2, 2015.

Sponsorship — Show Your Support and Show Off Your Presence

COMPTTEL PLUS Expos also give you the opportunity to show your support for the association while showcasing your company's name to the top industry leaders.

Sponsorship opportunities include:
