

INNOVATION ZONE

NEW to WEST 2015- the INNOVATION ZONE!

This dynamic area provides start-up businesses the opportunity to **demonstrate their innovative ideas and solutions** to key decision-makers involved in sea service operations, including both Pacific and Atlantic commands, as well as other government and industry professionals.

The Innovation Zone will also include PlugFest, a highly successful and dynamic area, demonstrating to government decision-makers the best practices when sourcing open standard solutions.

What is the cost?

With an investment of just **\$500**, your company can participate in this inaugural.

How can your company participate in the Innovation Zone?

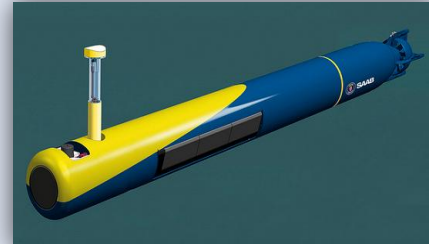

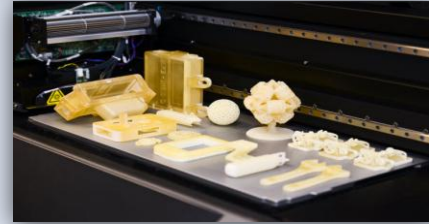

- Your company must:
- Be in business for less than 3 years
 - Have under \$1 million in annual revenue
 - Have less than 15 employees

What's included?

- One counter high table
- One stool
- One internet connection
- One electrical outlet
