

ACC.18

67th Annual Scientific Session & Expo

Leadership Participation in the Expo

Leadership Participation in the Expo

For the purpose of ACC.18, ACC leadership is defined as officers in the presidential line of succession (the President, the Vice President, and the Immediate Past President) of the ACC; the chief executive officer of ACC; the editor(s)-in-chief of all ACC journals; the chair and vice chair of the Annual Scientific Session; and the chair of the Annual Scientific Session Exhibits Subcommittee. Links to lists of the ACC leadership can be found by visiting the ACC website at <http://www.acc.org/about-acc/leadership>.

ACC leadership may not participate as leaders or presenters in exhibitor promotional/marketing events held in the Expo. In addition, ACC exhibitors are prohibited from using any image, video or other likeness of any of the ACC leadership in their exhibit booths. Exhibitors determined by ACC to have violated this policy will be required to cease the presentation and/or remove the image, video or likeness, and may be subject to a priority points violation.
