

TELECOMMUNICATIONS TARIFFS

High Speed Internet Access (HSIA)

\$500 daily rental charge per connection

This rental charge includes the labor to install the line and any usage charges incurred. The high speed internet connection is supported by a DHCP server and uses a T1 connection.

ISDN Lines

\$350 daily rental charge per connection

This rental charge includes the labor to install the line. Any usage will be billed at the end of the month. The Hotel does not provide ISDN Equipment or technical support on-site. The Hotel recommends clients to provide their preferred technical support staff to ensure the maintenance of their hardware while their conference is in session. Please contact the Hotel directly to confirm availability. Extraordinary installation charges may be added to these fees.

D.I.D. Lines/Analog Lines

\$175 one-time installation charge per line, plus the cost of calls

D.I.D. Lines or "Direct Inward Dialing" Lines can be dialed direct by callers without going through the Hotel Switchboard. They can also dial inter-hotel extensions. Please program credit card authorizers and dial-up modems to dial 9 first, as these lines are 9+Dialing enabled. Daily phone rental charge are applicable, or daily usage fee is applicable when no phone is rented (for fax or modem lines).

In-House Lines

\$75 one-time installation charge per line

In-House Lines **cannot** be dialed direct by callers and must be connected by the Hotel Switchboard. They can dial inter-hotel extensions. Daily phone rental charge are applicable.
