

EXHIBITOR DIRECTORY

We will include your basic contact information in the Exhibitor Directory free of charge. However, you do have the opportunity to [upgrade](#) your organization's listing in the Directory, which is available to all Meeting attendees either in print or online. Print versions were distributed to more than 23,000 attendees at last year's Annual Meeting.

All exhibiting organizations will be listed in the directory but, with an extended, premium or super premium listing you will gain additional visibility both in print and online with your company description and more.

The deadline date to submit your information for the printed Exhibitor Directory is Friday, March 26, 2010. For more information on upgrading your listing, please contact June LaMountain by phone at 703-631-6200 or via e-mail at june.lamountain@jspargo.com.
