

VERIFIED ATTENDEE REPORT

AFCEA/U.S. Naval Institute WEST 2015
February 10-12, 2015

REGISTRANT DEMOGRAPHICS

Thank you to all who participated in WEST 2015, celebrating its 25th year. This year, WEST continued to become a highly regarded source for senior leadership to discover, discuss and view full-platform solutions for the Sea Services, including emerging technologies and equipment that will impact all areas of future operations.

We greatly value your participation and do all we can to ensure you thrive and achieve your goals. There is no question that the event and the industry as a whole is successful when you — and others like you — succeed. To assist in your success and in the decisions you make as they pertain to WEST, we are proud to provide verified information about WEST attendees.

In 2015, 6,340 defense industry professionals attended WEST from 20 countries, including 2,310 active duty military and government personnel, a 19% increase over 2014, additionally 357 continuing education units (CEUs) were earned. The exhibit hall spanned over 150,000 sq. ft. and included 280 exhibitors who engaged with leadership at all levels of DoD and Government to discuss emerging technologies and equipment that will impact all areas of future Sea Service operations.
